

Alexander Becker - One of Patriot Prayer's Steadfast Nazis

Published on Feb 05, 2018

Alexander Wolfgang Becker is a Nazi that was in attendance at almost every Patriot Prayer event in 2017. For a long time, we've been referring to him by an alias "Mike Gainer." Now, Rose City Antifa is ready to reveal this fascist's name, address, and a full account of his organizing activities in the area, as well as his membership in the group of local white supremacists, known as the PDX Stormers.

Who are the PDX Stormers?

The Daily Stormer is a Nazi commentary site run by [Andrew Anglin](#). It's forums are one of the larger hubs for white supremacist activity online, and even though the website has been continuously kicked off of hosting all around the world over the last six months, it still exists on the [dark web](#).

For some time now, forum members have been meeting in groups in public, which they call Stormer Book Clubs. [In March, the Portland Stormer Book Club was kicked out of the Lucky Lab pub](#). Many of those participants were members of the [CCC Discord server](#), and Corvallis neo-Nazi [David Woods](#), along with Jimmy Marr and others, came up to meet the PDX Stormers on that occasion.

The PDX Stormers have also been notable participants in Joey Gibson's Patriot Prayer events. Despite the documentation Rose City Antifa and other allied groups, Gibson continues to welcome these Nazis at his events, where they frequently attack activists.

Alexander Becker's Racist Road Rage

Alexander Becker's racism pre-dates Patriot Prayer's events, and even the Trump administration itself. Early in the morning of September 11, 2016, Becker pulled his car into a McDonalds Drive-Thru in Vancouver, WA. Ahead of him in line was a Latino man. According to the arresting officer, Becker began honking his horn and shouting racial slurs at the man. The man then got out of his car and punched Becker in the face, bloodying his nose. Becker was arrested and charged with Disorderly Conduct. The charge was held, if Becker remained on good behavior. However, as we will see below, he certainly did not.

After fliers with the slogan showed up on the campus of Clark College in Vancouver, Becker posted an article about it, and accused a member of the Clark College staff of “self hate” for speaking out against the racist postings.

Mike Gainer

"Tre Sandlin, an accessibility technician in Clark College's Disability Support Services office, said the posters were designed to divide people of color and white people on campus. "I wear the face of an oppressor," he said. "I wear of the face of a slaver, of a rapist. I don't want to be those things, but that can be very threatening to those who might be affected by it.""

This is a terrible thing for him to say. He shouldn't be filled with so much self hate that he thinks the color of his skin affects others that negatively, and wants to punish himself for it. He should be okay with who he is, same with everyone else.

Given that Becker lives a mere 10 minutes from the Clark College campus, Rose City Antifa would guess that he and the PDX Stormers know exactly who is responsible for posting the fliers.

PCC Fliering

Although Rose City Antifa can't say for sure that Becker was involved in the fliering at Clark College, we do know he was part of the group of seven Nazis that fliered the Portland Community College Campus on December 23, 2017.

Along with activists from the neo-Nazi group Patriot Front, members of the PDX Stormers put up a wide array of fascist and racist propaganda on the campus, which were all quickly taken down.

Alexander Becker is easily spotted in the surveillance camera images with other members of the PDX Stormers, wearing the same unique yellow jacket that he wore to both racist “It's Okay To Be White” rallies in Vancouver, WA(see above).

Also, his car, a green Mercury Mountaineer, was seen leaving the campus. See below for a full description of that vehicle.
